

Did you know there's a print kiosk at Arts & Crafts! It can print photos ranging from 2x2 to 8x10 in a variety of ways, even greeting cards. It can also make you a photo CD and picture movie DVD, all of this from your digital camera cards, USB drives, smart phones via WiFi, our print scanner and even social media like Facebook and Instagram. You don't have to go off base to get quality Kodak prints. Best of all, it is more affordable than the off base printers and you get your prints right away. Stop by and check it out today. Arts & Crafts is located at 610 N. Depot Rd near Outdoor Rec. Call 247-3038 for details.
