

Arts & Crafts Center

"Helping you with creative projects"

The Arts & Crafts, Engraving, Frame Shop and Wood Craft Center (p. 37) are now all co-located to provide you a one stop creative shop. Bring in a project or project idea that you can do yourself or have our professional staff do for you. Feel free to stop by and take a look around or even get expert advice. Artists, get ready now for the annual fall Arts & Craft Gallery Showcase. Visit www.fairchildfun.com/ac.html for details.

Arts & Crafts Class

Classes are available to help create a wide variety of products to make there and take home; Tuesdays and Thursdays, 12:30 - 3 p.m. Ask about our Youth Apprenticeship Program to all individuals 12 years and older when accompanied by an adult. Call 247-2810 for details.

Beginning Framing Class

Classes are Saturdays from 1 - 4 p.m. The Beginning Picture Framing class covers complete construction of one metal and one wood frame with single mat, regular glass and custom fitting. Upon completion of the framing class, the individual will receive a qualification card and an estimated 50% discount on future framing materials. Call 247-3038 to sign up for the class.

Engraving & Mementos

The Engraving facility produces quarterly and end of year trophies and plaques along with rubber stamps, embroidery, laser engraving, custom engraving and more. Call 247-2434 for info.

Frame Shop

Custom picture framing available to those who are interested in professional quality work but don't have time to produce their own projects. Stop in and choose from a selection of art or bring something special from home then choose from the large variety of matting, frames and glass to give it that personal touch. There is no fee for do-it-yourself patrons. Call 247-3038 for details.
