

Auto Hobby Center

"Getting you on the road"

The Auto Hobby Center is a 21 bay facility with 10 lifts which allow the Do-It-Yourselfer (DIY) to accomplish the simplest maintenance to the most major repairs. A full line of automotive tools are available FREE to customers with bay rental. The Auto Hobby staff is available to provide technical guidance to customers performing maintenance and repairs. Want to learn car care basics? The Auto Hobby staff can provide one-on-one training by appointment to teach you how to perform basic inspections and maintenance on your vehicle.

Stop by the car wash 24 hours a day to keep your vehicle clean. Choose to clean it yourself in one of our self service wash bays or stay in your car and take advantage of our automatic "Touch Free" car wash. Receive a FREE car wash with every services over \$50.

Not enough time in your hectic life to do your own work? The Auto Hobby is staffed with Automotive Service Excellence (ASE) certified technicians who can accomplish most vehicle repairs with some of the lowest labor rates around. Spouses of deployed personnel and First Term Airmen stationed at Fairchild AFB can receive a "Car Care Because We Care" voucher which entitles the individual to a FREE oil change and safety inspection.

Simply contact the Airman & Family Readiness Center (p. 6) to claim your voucher. Visit www.fairchildfun.com/auto.html for details and call 247-2310 to schedule an appointment today.
