

Family Child Care

"Providing you in home child care"

Each home is its own business and provides licensed in-home child care for ages birth to 12 years. Additionally, each provider is overseen and inspected by the FCC office. FCC provides you the flexibility and knowledge that your child will be cared for in a professional, one-on-one home atmosphere. See p. 10 for Parent Advisory Board info or call 247-5336.
