"Providing you civilian jobs"

NAF Human Resources Office (HRO)

Nonappropriated Fund (NAF) employment is considered federal employment and services over 25,000 positions Air Force wide. It is, however, different from federal civil service employment because the monies used to pay the NAF employee salaries are activity-generated. The two types of NAF positions are flexible (0 - 40 hours without benefits) and regular (20 - 40 hours with benefits). You may call NAF HRO at 247-3233 or 247-8007 for counseling and assistance.
