

# Vet Clinic

"Providing medical care for your pets"

## Vet Clinic Available Services

- Annual vaccinations range from \$10 - \$18
- Base registration (FREE)
- Diagnostic testing and treating for Zoonotic diseases
- Health certificates (stateside/CONUS and international/OCONUS)
- Health exams are \$25 per pet
- Heartworm testing and prevention
- PCSing information
- Pet ID microchips
- Pet supplies

## Appointments

The Vet Clinic is open Monday - Thursday with basic services available. Working dogs have first priority. Extended services available upon veterinarian ability. Pets are seen by appointment only, call 247-2583 (a no show policy is strictly enforced). If your pet has a serious health issue or requires surgery, you will need to take it to an off-base vet. After hours: There is a Pet Emergency Clinic (24 hours) located on the corner of Ruby and Mission, downtown Spokane, 326-6670.

## Base Registration

All pets residing on Fairchild AFB must be registered with the Vet Clinic. Registration is FREE, however priority is given to working dogs and appointments. Instruction 31-105 requires that all pets residing on base have a current Rabies vaccination and annual deworming. It is not a requirement to have your pet(s) vaccinated at the base Vet Clinic, but you are required to bring updates of any vaccinations to the clinic to keep your files updated.
