

One Page At A Time

Join in this reading program today and earn incentive prizes for every book that you read between now and March 9, 2012. All Fairchild AFB youth ages 5 to 13 are eligible to participate in this program. The first step in this program is to register with the Youth Center and pick up a Reading Log Form. Then...

- Select an age appropriate book to read.
- Annotate completion of a book on the **Registration and Reading Log** Form.
- Have an adult sign the form that the participant has completed the book.
At the close of the interim and final closeout dates (30 Dec 11 and 9 Mar 12) the participant returns the *Registration and Reading Log* Form to the Youth Center.

Youth Programs will then submit your reading achievements to HQ Air Force and shortly after that you will receive your prizes.

NEW THIS YEAR: Books read over 150 pages should be given credit for 2 books (additional credit may not be awarded for books over 300 pages in length). The Incentive Report forms should reflect this total so the appropriate incentives can be given.

A suggested reading list can be downloaded at the following website: www.afyouthprograms.com
